

OPSEU is made up of individuals like you...

By working together, union members achieve workplace rights and benefits and lobby for changes that improve their lives—at work, at play, and in the community.

Or call the OPSEU Resource Centre at **1-800-268-7376** and ask to speak to an Organizing Representative

Simcoe County ECEs now have a choice

OPSEU looks forward to representing you

Ontario's Early Learning Program initiative

Ontario now provides six hours of learning a day for over 200,000 four and five year olds. Four to 12 year-olds across the province are also benefitting from before and after school programs .

New initiatives in play based early learning programs means Boards of Education are hiring Early Childhood Educators to deliver this important education.

OPSEU would be proud to be the union of choice for ECEs delivering the Early Learning Program.

OPSEU – Ontario's fastest-growing union

OPSEU represents over 130,000 members across Ontario, including 1,400 education workers in Simcoe County.

OPSEU members are a big part of what makes Ontario classrooms successful learning environments. Educational Assistants, Child and Youth Workers, Registered Practical Nurses, Instructors of English as a Second Language, Office/ Clerical Staff, and Technicians all share the benefits of belonging to Ontario's fastest-growing union.

We share a common commitment of supporting students with special needs, in Life Skills/ Developmental Skills classes, Career/Learning Centres, Adult Education, ESL and mainstream classroom settings.
